high resolution files

each file is retouched and you are given a personal license to reproduce the file as many times as you like.

per file - £20

canvas

our popular canvases are great to hang in any modern home. they are all handmade so you can be sure the quality is the very best. each canvas is wrapped over a thick frame giving it a true 3D dimension effect on your wall! the images are wrapped around right to the edge of the canvas which means no messy hooks or staples to look at. each canvas is fitted with hooks and ready to hang. please ask about sizing and prices.

(shown: 24x24/5x5 'nine images')
